A studio space and visual production storytellers

THE STUDIO

THE SPACE

Generous 50 sqm studio with beautiful cyclorama and black theater curtain surrounding the space. The space is acoustically treated and great for any sound sensitive projects.

Fully equipped makeup and dressing space just outside of the studio.

PODCAST STUDIO

Our studio has been designed for recording and filming so it is a great space to host your podcast.

Equipped with a Rodcaster production studio set up for three people.

VOCAL BOOTH

Our snug two person vocal booth is tucked away in our production room, fully equipped with mic, teleprompter and audio work space to record and edit.

THE NUTS & BOLTS

Our space is equipped with a kitchen, multiple bathrooms, shower, picnic table

The studio is on the ground floor. Double door access through our roller door direct into the studio with free parking and 10 minute walk from Yarraville train station.
